Week 1: Dinosaur Digs

This camp is the perfect opportunity for future paleontologists, outdoor enthusiasts, and dinosaur lovers to do science in a fossil-fun-filled way!

Week 2: Pirates and Treasure Hunts

"Ahoi Thar Matey!" The children will follow a treasure map on a pirate adventure that includes a treasure chest full of fun!

Week 3: Summer Science and Scavenger Hunts

Children will learn about water density, make things erupt and explode, use their senses, work with nature and natural materials.

Week 4: Fruits and Veggies, Oh My!

Explore fruits and vegetables available at the farmer's market, make healthy smoothies, explore gardening, and look at what nature has to offer.

Week 5: Can We Build It? Yes, We Can!

Allow your child to escape to another world that reaches the depths of their creativity by building "things!" Something simple or something more elaborate, without a doubt your child will be entertained for hours!

Week 6: A Camping We Will Go

Are you ready for s'more fun? Join us for a week of marshmallow tossing, flashlight reading, fishing, painting, and sitting around a "fire." Learn how to set up a tent and much more!

Week 7: Out of This World

We are blasting off into outer space! Campers will learn about everything "spacey" and pretend they are in outer space with their homemade rocket ships!

Week 8: Colors and More Colors

Create, learn, and explore the world of colors!

Week 9: Holiday Celebration Week

Join us for a week of holiday celebrations from around the world. After all, who doesn't love Halloween in August?

Week 10: Water Works – Land and Sea

Get ready for water fun in the sun; join us for a week as we explore the wonder of water!
